Hot Shots ladies = 1 - topless!

Our girls reject bras for charity. Everyone wins!

EVERY YEAR, the charity (and boob-loving)

Hot Shots chaps recruit a bunch of *Nuts* lovelies for a nice, militarythemed calendar. But to ensure that it's also something that a mum, gran or doctor or dentist, for instance, can put up, it's always staunchly boobs-in. However...

They always do a topless shoot, and this year turned it into the sexiest pack of playing cards you're ever likely to see in your life. And great for poker – every card's a pair! [Bows. Exits stage left.]

Bringing you the best bits from the sarcastic star's new stand-up DVD. Aren't we nice!

**CHRISTMAS IS** the time when 97 per cent of the year's video games are released in a three-week period, the soaps have a frankly befuddling miseryoff and every single comedian in the world releases a stand-up DVD. Luckily, this includes the impossibly humorous Jimmy Carr, whose simply titled Jimmy Carr: Being Funny DVD is out now. Here are some highlights...

#### On doctors...

"I think the moment you realise your doctor isn't great is when the STI examination becomes a taste test."

#### On sexual exploration.

"I once f\*\*ked a girl with one leg. I should really have used my c\*ck!"

#### On rude television

"According to regulators Ofcom, the most offensive words said on TV are the F-word and the C-word. Well, I'm performing live, so I can do what the f\*\*k I like, and them c\*\*ts can't do anything about it!"

#### On train seating.

"On some trains, they've now got seats reserved for elderly, disabled and pregnant women. It begs the question, 'Who's f\*\*king all these old cripples?""

#### On ill-advised commentary...

"I've got a friend who got dumped by his girlfriend. She ended their relationship because of one thing that he'd said as they were making love. Ejaculation is normally the most intimate, vulnerable moment for a man. But as he did his orgasm, ejaculated, came, he said, 'Bang! And the dirt is gone."

#### On buses...

"This girl got on the bus the other day and said, 'Can I get a return?' The driver said, 'Yes, where to?' She said, 'Back here!' It took me an extra beat to realise, 'Oh, she's a f\*\*king idiot. Case closed."

#### On Scottish people...

"There's such a drink problem in Scotland that when I perform on stage up there, most of them think I'm a double act."

#### On the blind.

"I had a relationship with a blind woman, which was rewarding. But it was also very challenging because it took me ages to get her husband's voice right. Bet you didn't see that one coming. Neither did she!"

#### On new builds...

"Interesting fact for you: three per cent of all new homes are built for pensioners. They're called coffins."

#### On man's best friend.

"Sometimes, you can sense a friend wants to take things further. Will it ruin the friendship? Things get hot and heavy on the sofa one night and you think, 'This doesn't feel right - you're my best friend. You're not even allowed up on the couch. Bad dog! Down, boy!' Did I just say 'down, boy'? Oh, sh\*t -I've made the joke gay!"

#### On rows...

"I got into an argument with one of my ex-girlfriends and in the middle of the argument, she said, 'What kind of an idiot do you take me for?' So I said, 'A fat one.' In my defence, she was fat. She didn't get a suntan, she got crackling! She was legally required to

# Ross Kemp: 'The Taliban watch all my TV shows!'

#### Telly's toughest bloke talks about his return to Afghanistan to film his ace new series

Hi Ross! You're back from filming your new show, Ross

#### Kemp: Back On The Frontline, in Afghanistan. What can we expect from it?

Yes, indeed. This was my tenth visit! It's been ten years since 9/11, so the intention of this new series is to find out why the hell we've been in conflict for so long. It's the longest war Britain's been in since the Second World War. It's cost the taxpayer £11billion, it's cost the Americans \$121billion, and then there's the human cost.

#### What sort of things have you witnessed there this time?

It's a far more political series. We set out to explain how the tactics have changed and how complicated things are out there. You've got a regime that's predominantly corrupt, you've got narcotic warlords everywhere, you've got Pakistan interested in f\*\*king things up, you've got Iran interested in f\*\*king

things up, and then you've got the Chinese in there taking minerals out already...

#### So we can expect less of the frontline action stuff, then?

It's still incredibly dangerous to film there but people who want *Medal Of Honor* stuff aren't going to get it. This is more like *CSI*. For example, you'll meet a British Major who's trained to do amphibious landings and kill the enemy, but he's more like a Detective Chief Superintendent. On his wall, he's got all the major Taliban players to target. You'll see that there have also been some incredible technological advances.

#### Are the local people warming to you after all your visits?

If anything, it's more dangerous for guys like me. This time, you'll notice I don't wear blue press identification, I wear camouflage, because they shoot at journalists on purpose. Also, I meet the new Afghan administration and explore the dangers they face. I meet one official whose

office is riddled with AK-4
bullets because a suicide
bomber tried to get in two
months before our visit. He
was shot through the head
before he got in, but he put
enough rounds in the wall
to make it look like a teabag!

#### Do any of the locals recognise you from being a celebrity?

Interestingly enough, the Taliban watch all my shows! When we interviewed them, they'd watched the last series and told me they enjoyed how scared I looked! I was a bit shocked. One of them was very bright and had a scary, intense glare. He took the opinion that I wasn't very good at my job because I should be far braver! The Taliban aren't stupid they want to get their message out there. These people know how to manipulate and use the press and guys like me.

#### Did you notice any interesting practical changes out there since you last filmed?

This time around, I had to wear silk undies! The troops wear one piece of silk now in case they get shot near that region. It's open to infection because your bladder's there, your intestines are there, and your balls and d\*ck are there. So instead of having to pick out different bits of your underpants that have been pushed inside you, it's one silk strand that pulls out. Simple but brilliant!

#### Do you find you have good banter with the troops now?

Yeah, they've got used to us over the years, so we're not as much of a novelty as we were. I remember when I went to my first ambush. I was having a dump with my pants around my ankles and there were blokes throwing bricks and taking pictures of me. I was like, "Oh, great, thanks." I was trying to wipe my arse and throw stones back at the same time! It's quite difficult! I'm like a grandfather to a lot of these lads now. Guys in the Scots will be mates for life because of the shared experiences. When you think the next minute could be your last, you laugh a lot under gunfire. I'll always recall crawling back from a terrifying ambush through a tunnel of human sh\*t with this young lad, and I was trying to light a cigarette. I was 45 and he was an 18-year-old kid, and we were p\*ssing ourselves with laughter for no reason!

#### So, do you find you're less afraid going out there now?

Not especially, but you get on with it. You still hear the gunshots and you know that if you get shot at, you stand still or go to one knee rather than jumping, as you've got more chance of being blown up if you move. The tragic thing for me is that I've met boys who've lost their balls and their d\*ck before they've probably even had a shag. What are they going to do for the rest of their lives?

 Ross Kemp: Back On The Frontline starts on Monday 14 Nov at 9pm on Sky 1/HD

# Nissan's SUV Supercar!

Japs mate their mental GT-R with a four-by-four!

- To all intents and purposes, this looks like a school-run SUV squinted at through a puddle. But it's actually one of the silliest cars we've ever featured. A bit of a vanity project for Nissan, it's what happens when you take a mum-hugging Juke and smash a GT-R injection – like a shot of adrenaline – straight into its heart.
- It's essentially a GT-R reshelled with a Juke's body. This means it has the supercar's lightning-quick dualclutch paddle-shift six-cog gearbox and 4WD. The Juke is lighter and

#### tinier than a GT-R. You can probably see where this is going...

- The Juke's interior has largely been binned, replaced with a roll cage, a pair of basic bucket seats with five-point harnesses and a dash modified to host the GT-R's plethora of gauges.
- RML in Northamptonshire are the chaps welding this Frankenstein together. They had to completely strip a running GT-R to sacrifice for the Juke-R project. And the whole thing was done in just 22 weeks.

- Externally, there have been a few choice tweaks made in order to stop the Juke from wanting to become a hang glider. Twenty-inch forged Rays alloy rims fill each of the seriously flared arches, while the side skirts have been extended, alongside a pair of rear spoilers.
- There won't be any official performance figures until testing begins in November, but when the normal "R35" GT-R weighs 1,740kg and yet can hit 62mph in 3.6 seconds, this is going to force
- eyes back into their sockets.
  A normal Juke weighs about
  1,250kg and test drivers have
  managed to get the GT-R's 0-62
  sprint down to near 3.0 seconds.
- Currently, there are two being built

   one left-hand and one right-hand drive. Nissan have admitted that the popularity of their Juke-R will be monitored to see if there's a point in building it in the future.
   Or maybe, just maybe, enter the World Rally Championship. Oh, go on, Nissan, you know you want to!

LINDSAY LOHAN'S failed her probation again, turning up late for her community service at a morgue. Is working at a morgue really a timesensitive job? It's not like the people are going to be more dead if you're 20 minutes late. She may go back to prison, and her father isn't helping by stating he knows she's smoking meth or crack. But it's not all bad for Lindsay - she's just had a million-dollar payday posing for Playboy. I want to know how Playboy can afford this kind of money. I remember w\*nking off to Playboy when I was a teenager but now I have the internet, it just doesn't cut it. Playboy's like the marijuana of porn - a gateway drug leading to the heroin of gang bangs and nasty sh\*t like that. And you know what they say about heroin - once you've taken it, there's no going back.

#### "His nuts are gigantic!"

IF EVER you think the UK's sh\*t, I want you to remember what I'm about to tell you. US citizen Wesley Warren Jr's [above] testicles weigh 45kg and are the size of basketballs. They can be fixed but he doesn't have medical insurance, so he can't afford the surgery, which will cost \$1m. I listened to him on the radio pleading his case and he's now accepting donations. I hope he gets them because, as it stands, he has to carry his balls around in a milk crate. How the f\*\*k can he not find a doctor who'll do this for free? Wesley says he's keeping his spirits up and isn't suicidal. What a ballsy guy!

# "Buy gifts to get a girl?"

THERE'S A new American trend coming to the UK called "sugar-daddy parties", where a lot of rich guys meet a whole lot of hot girls and hope to bag themselves a girlfriend. These women don't

consider themselves to be prostitutes, but you have to spend at least £300 on gifts for a chick if you want to keep her. It may sound horrid but when you think about it, it's all fair. I don't know why the men are called superficial for being attracted to hot chicks with nice racks - these are real attributes. But show some of these girls a nice, shiny rock and then you get to f\*\*k 'em? That's basic caveman sh\*t! Remember when Anna Nicole Smith married that dude who was in his 90s? There's no way I'd do that. There's no 90-year-old woman who's rich enough to persuade me to go down on her. Maybe it's the way I was brought up.

# "You get what you pay for!"

RYANAIR HAVE got into a bit of sh\*t this week because they tried to fix an aeroplane window with duct tape, and it turns out that duct tape isn't strong enough to hold a plane together. What the f\*\*k do people expect? You paid £18 for a ticket to Dublin - you should assume the plane's taped together. I wouldn't care, I love a bargain. Ryanair's a game of Russian roulette anyway. In fact, I fly with them when I'm feeling suicidal but want it to be a surprise.

# foot like an orange!'

#### Motorcycle mishap leads to gargantuan gash!

THIS BLOODY mess is what happened to reader Brynn Hall's left foot after he came off his motorbike earlier this month. The 23-year-old mechanic from Derby was sent flying after losing control of his prized Yamaha, causing his foot to drag along the road.

"My first thought after coming off was that I wouldn't be able to take part in a race I was looking forward to," recalls Brynn. "But then I looked down and saw the state of my foot. The skin had peeled right off, like an orange, exposing some of my bone!"

After being rushed to his nearest A&E, Brynn found

out that the accident had ground away a big chunk of the bone in his foot, and that a supporting cage and a series of skin grafts would be the order of the day. "I've been riding around on motorbikes since I was 16 years old and this is the first accident I've ever had," concludes Brynn. "At least it's one to remember!"

Candy Bar Girls

on Channel 5!

My girlfriend and I have been invited to a swingers' party. She's up for it but I'm not sure how I feel about watching her having sex with another bloke. What do you think I should do?

#### **JOHNNY** Croydon

It depends on your relationship with your girlfriend. It sounds like she'll go along whether you accompany her or not, so maybe you should risk it - but check the terms and conditions first. For example, will there be equal numbers of men and women in attendance? Will the participants be genuine partners? I've heard that some men hire a hooker to accompany them. Will you be allowed to refuse sex if you don't fancy someone? Also, bear in mind that if your girl is more attractive than average, she'll get a lot of attention. You might have to make do with very sloppy seconds!

#### I want some outdoor sex!

I really like the idea of having sex outdoors but my other half isn't convinced. The idea of getting caught is a turnon for me, but how can I persuade her it's a good idea?

SARGE via email

By whom would you like to be caught – a police officer or a traffic warden, perhaps? And what happens when you are caught? Do you get a spanking? Or do you offer your young lady as a bribe to stop a charge of indecent exposure? I know very well the pleasure of al-fresco sex - you can't beat a bit of sunshine and the joys of nature. You need think about this carefully, though.

#### I fancy my mate's ex!

On a night out recently, I kissed my best mate's ex. Now she wants us to meet up again but I really don't want to upset my

JASE Kilmarnock

If they've split up and she's willing, it must be tempting. It depends which you want more having her or not hurting him. Would he be hurt?

#### His missus is a porn star!

I was watching a porno and I couldn't believe it when my mate's new girlfriend cropped up on screen! I haven't told any of our other friends yet, in case they take the mickey out of him, and I know for a fact that he doesn't know about what she's been up to. What should I do?

DALE via email

Say nothing to anyone but tell the girl privately how much you enjoyed her acting. Ask her if you can visit the studio or even get a role as an extra in a film. That might make for an interesting day out for you!

God, this is so exciting for me! When I sent my pictures in to you guys, there's no way I expected to be here today dressed in all this sexy lingerie. Hopefully, we should get some proper nice pictures out of it.

#### Have you done any other modelling before today?

I've done the odd bit for newspapers but I've never had a full feature like this or anything. I'm always getting told I've got the boobs for it!

#### Do you think you'll get recognised more on nights out?

Maybe, but I don't go clubbing. If I go out, I'm always driving, so I don't really stick around long enough to get noticed!

#### What do you look for in a fella?

I like really confident guys and guys who can make me laugh. It's nice when someone has the balls to come up and talk to you, but I avoid cheesy chat-up lines like the plague!

#### Who's your favourite Nuts girl?

# I'll fight of the second of th

Jason "Shotgun" Young, 24, is Britain's bright new hope in the Ultimate Fighting Championship, but the Londoner has endured untold hardships in order to follow his dream...

Hi Jason! When did you start fighting?

I started kick-boxing when I was eight.
I was brought up in a children's home and used to talk to the next-door neighbour.
He was a kick-boxing instructor and I asked if he'd teach me. I trained three times a week for four years. I was winning trophies, then I got in with a bad crowd.

#### How did you end up getting involved in mixed martial arts?

I was working on a building site when I met fight promoter Dave O'Donnell, who said to me, "Come to my gym. In six months you'll be a different person." Six months later, I had my first fight.

#### Did your tough background help?

I grew up in South East London, where you have to be able to look after yourself. I got robbed when I was younger. I see the people who did it sometimes. Obviously, I could do something about it now, but I don't. I don't need to. I'm better than that.

#### Would you say fighting saved you?

As soon as I started training, I got out of trouble. You're training so hard that most of your aggression gets worked out in the gym, and I'm never bored. A lot of my friends are still in bad crowds but I've got a mortgage to pay and a son to care for.

#### What was your first fight like?

I fought a guy from Manchester in front of 400 people. I didn't know what to

expect and went in there with that street mentality. I like to stand and strike, and most of my wins are by TKO [technical knockout], but I won that one on the floor. By my second fight, I'd turned pro.

#### How did you get signed to the UFC?

I'd fought in Toronto and won fight of the night. Two weeks later, my manager called and said, "I've got you a contract with the UFC." I couldn't believe it. At work, I was like, "I'm signed to the UFC now and I think I'm just going to call it a day for a bit. But if everything goes pear-shaped, can I come back?" They said, "Yeah, Jase, there's a job for you any time you want it."

#### How much can a UFC fighter in your position earn?

A fight-of-the-night bonus can get me anything from £45,000 to £85,000. I've had fight of the night a couple of times.

#### How has your life changed?

When I was plastering, it was tough because I'd have to combine training with

work. These days, leading up to a fight, I train three times a day, six days a week for eight weeks.

#### Do you get scared?

Of course. You're going in there to get punched in the face! When I'm told I'm fighting in 15 minutes, I get scared. So I switch on and think about the stuff I've been through.

#### Do you think about the millions watching you?

For my last fight in the UFC, there were 30,000 in the crowd. It gave me shivers down my spine but once I'm in the cage, it's just me and the other guy.

#### What does winning feel like?

A big buzz! But when I lose, I cry my eyes out because I train so hard, put all that effort in, all those hours.

### Finally, will you help out others from your sort of background?

I've done events
with the UFC where
I talk to guys with a
similar background,
and they tend to
respect me because
I've come from where
they have. It's
something I enjoy.

# Featur Juestion Bucket!

Sell:

The rap superstar on llamas, pigeons, Cheryl Cole and managing England!

Copy:

THE RULES are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

Would you rather have a llama living in your house who hogs the telly remote and eats all your food, or have to ride everywhere on a really, really slow yak?

I'd rather have a llama because when I'm not at home, he could look after my dog, Alfie.

It's Fabio Capello on the phone. He wants to know if you'll take over. Will you? Definitely! I'd provide a great service. I'd be a morale boost to everyone.

A man walks into a bar. What happens next? If the bar is in East London, he shouts out, "Dave!" and everyone in the place turns around.

Would you rather have the body of a rhinoceros and a normal head, or a normal body and head but the neck of a giraffe?

Hmm. Having a normal body and head but the neck of a giraffe might make me a target for birds. They might try to nest in my head. So I'd rather have the body of a rhinoceros and a normal head because although I'd look stupid, no one would have the guts to tell me.

Have a go at guessing the Colonel's secret recipe of 11 herbs and spices. Hand bacteria. Pepper. Salt. Ketchup - that's the secret ingredient for everything. Probably rats. Can rats climb? Yeast. Where they might find

**Should everything cost** a pound? Definitely not. I'm worth

that yeast, I've no idea.

How many is that?

at least £1.50.

What were you like when you were at school? Absent!

How many girls have you kissed in your life? Not as many as I've had

sex with.

Would you drown a cat if your dog's life depended on it?

Ha-ha, no, I prefer my pussy wet.

What's the longest you've ever gone without leaving the house?

Before my career kicked off, if I became ill, I got the chance to stay in bed for as long as I wanted. Nowadays, they send the doctor round my house, who gives me what I imagine to be legal drugs so that I can leave the house. So I'd say about a day and a half, even with a bad case of man flu.

Name all eight planets in our solar system.

With a decent telescope, I can see the moon and Uranus. Jupiter, Mars, Saturn. I scorn your eight don't judge me.

What's 999 - 888 + 1? A sum!

Would you consider letting Cheryl Cole sleep indefinitely on your couch even if she couldn't afford to pay you any rent? [Thinks for ages]. Everybody has to pay the price.

Complete the following poem: There once was a man from [insert name of city you're from here]... Erm, there once was a man from London, but everyone he knew called him Irish Jack.

Do you think pigeons get a bad press?

Think of all the variables of being sh\*t on by a pigeon. They have quite a lot of space, those things, don't they? If you think how bad your luck must be to get sh\*t on by a pigeon, it can only get better, can't it?

Last but not least, is this a rhetorical question? How do you put into words my expression? [Pulls a huge, cheesy grin]. C\*\*t!

 Professor Green's awesome new album, At Your Inconvenience, is out now

op stars, movie stars or TV stars – whatever they are, we're spoilt for choice when it comes to sexy famous girls – and they're not shy about airing their boobs either. Result! So we drew up a list of our favourite famous ladies in a brilliant state of undress and compiled them here for you to enjoy. And then we got the lovely Sophie Reade to introduce them for you!

Hi Sophie! How are you enjoying yourself today? Hello! I'm shooting in a '70s retro house. I've been shooting my 2012 calendar, too!

What's the hottest sex scene you've ever watched?
I saw Kim Kardashian's sex tape the other day. That's probably the hottest thing I've seen on telly recently!

#### Who's your favourite famous person right now?

Female-wise, it would probably be Pamela Anderson. I saw bits of her in *Celebrity Big Brother* and she seemed cool.

Would you ever try acting? I wouldn't mind it. I went to LA and they said I should become an actress – but they haven't even seen me act yet!

Whose boobs would you like to see more than anyone else's? Probably Jennifer Lopez's. I think she'd have a nice set – firm but also nice and curvy!

#### When was the last time you seduced someone?

A few months ago. I went round to a bloke's house in a mac, then I took it off and I was wearing this really sexy Ann Summers underwear.

Thanks for the chat, Sophie!
Finally, where's the strangest place you've been naked?
I went to a pool party in LA and we were all messing around. My top came off, then we all just ended up going totally naked in the pool!

#### A host of top tips to help you play Deal or No Deal!

YOU MAY think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent Nuts Games winner bagged himself £229, 776!

#### How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

PLAY ONLINE!

It's all self-explanatory - click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

#### **Bonus game**

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins - this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

# CONFESS! TO OUR SECRETARY!

Racy revelations from our female readers!

#### 'We did it on a tractor!'

MY BOYFRIEND is a farmer and I often spend time with him at the weekend, watching him work. One sunny afternoon recently, I was sitting with him on his tractor and reading him the stories from his copy of *Nuts*. It started off as a laugh but after a while, we began to get turned on. He slipped his hand up my skirt while I put mine in his lap. I could feel that he was rock hard. He slammed on the brakes and I soon had his trousers off and was going down on him. We did it there and then in the middle of the field. Thank God cows can't speak! Poppy Wiltshire

### 'Frisky on the flight'

I were on the flight home from a naughty week in Spain. A week of sex hadn't fully satisfied me, so when I had to go to the toilet,

I gave him a cheeky wink.
He slyly joined me, quickly
lifted up my skirt and thrust
his fingers inside me. I was
struggling to stop myself
moaning loudly and had to
put my hands on the wall to
steady myself. He bent me over
the toilet and took me hard
from behind while groping my

boobs and squeezing my nipples. As he banged me harder, I screamed loudly and sweat was streaming off my face. I came and he wasn't long behind me. Once we'd smoothed ourselves down, we both walked out with a queue of about six people staring at us. But I didn't care – it was totally worth it! Lou Bromley

### 'He crept into my tent'

I WENT camping with some of my friends in Newquay about a month ago. After a night out at the local pub, we were all a bit wobbly and one of the guys came into my tent by mistake. He apologised but I told him not to be sorry and asked him to stay. He kissed me straightaway, then went very red and started to leave. I pulled him back, slid my hand down his trousers and felt his bulge grow. After rubbing his erection for a bit, I pushed him back, licked my lips and put him in my mouth. He was groaning with pleasure, so I put my hand over his mouth, which only made him enjoy it more. Afterwards, he left and I heard all my friends laughing and asking him if he'd enjoyed himself - because we'd left the torch on, they'd been able to see shadows of everything that'd happened in the tent! Jenny Exeter

### 'I gave him my knickers'

MY FELLA was taking me to a posh restaurant last week, so I made an effort to look my best. I had my sexiest underwear on and a little black dress, and he seemed impressed. He whispered in my ear what he wanted to do to me when we got home, but I couldn't wait. I went to powder my nose and took off my knickers, and when I got back to the table I put them in his hand. We skipped dessert and as soon as we got in the taxi, we were kissing like mad. Then I felt his fingers between my legs. We were home in no time and I was gagging to have his naked body against mine. The second we were through the door, we stripped off and he took me hard from behind. I think I'll miss dessert more often! Hayley via email

10 RUDE QUESTIONS!

And a real girl to answer them!

#### **Jamie**

21 Surrey

#### Where's the strangest place you've had sex?

"It was in a lift on the way up to my room in a big, posh hotel. It felt very naughty but sometimes, you just can't wait for these things, can you?"

#### What's your trademark naughty move in the bedroom?

"I have to say, I'm pretty good at riding on top. I always like to be in control of my man when we're in the bedroom, so I really get into it!"

#### What really turns you on in bed?

"Ooh, lots of things, but I especially like it when a guy smells really hot and gives you amazing, sexy kisses all over your body. I can't get enough of that."

#### What's your 4 favourite position?

"It would have to be doggie style, definitely. I have quite a shapely little booty that's perfectly suited to that particular position!"

#### Is it better to give or receive?

"Personally, I like to give because I'm always very, very good at what I do!"

#### 6 What one thing would you really like to try but haven't yet?

"I'd love to have a naughty threesome with a pair of really hot guys. I think every girl should try that at some point in their life!"

#### Have you ever got it on with another girl?

"I might've had cheeky kisses with a few of my girly friends when we've been on drunken nights out, but that's as far as I've gone so far anyway!"

#### What's your favourite orole-playing costume?

"I love putting on my naughty college girl outfits because they're really cute and sexy, and they always drive blokes wild!"

#### Have you ever made a sex tape?

"No! I'd be really worried about it getting on the internet, and you never know who might see it."

#### What's the single rudest thing you've ever done?

"That was probably the time I went out partying in only a tiny, tight black dress and no panties. I felt so sexy because no one knew!"

Have a cheeky flash - and earn some cash!

Merse on why the Prem trophy's Eastlands-bound!

# We must tackle racism in football!

### There's no place for it on or off the pitch!

see racism in football hitting the headlines once more. It's difficult to open the papers without reading about John Terry and what he's alleged to have said to Anton Ferdinand.

With most of these situations, it's one person's word against another and it can be a very difficult issue to deal with. We still haven't heard anything from Ferdinand, and Terry is innocent until proven guilty, but if it's revealed that he racially abused the QPR defender, he'll no doubt be stripped of the England captaincy for the second time and face a heavy suspension.

So much has been done to help stamp racism out of the game in recent years, and things have certainly changed dramatically since my time as a player. We see campaigns like Show Racism The Red Card and Kick It Out, both of which have done wonders to help change the attitude of fans and players.

Let's hope that a few isolated incidents don't halt the fantastic progress that's been made.

## The Carling Cup's on the way up!

THE CARLING Cup is going through a bit of a revival this season. Man United, Man City, Arsenal, Chelsea and Liverpool are all still involved and there have been some fantastic games. The bigger clubs are all playing important first-team players and not just relying on youngsters, which has been the case in the past.

Many managers are now seeing it as a significant bit of silverware. Fergie, Dalglish and co all know the importance of picking up trophies, no matter how prestigious the tournament. It's crucial to get players used to that winning mentality – it can lead to better things!

## QPR vs Man City

SAT 5 NOV, 5.30PM • ESPN

Man City are absolutely flying at the moment – their squad's packed full of top-quality players and Roberto Mancini has turned them into a ruthless attacking force.

QPR will try to keep it tight and stop City playing, but that's near impossible to do at the moment!

"Jose Mourinho once pulled Frank Lampard in the shower"

Jamie Redknapp on the closeknit Chelsea dressing room.

"I'd love to see Damien Duff come inside Givet"

Pardon, Ray Wilkins?

The Swansea star on the Premier League, his top players and his missus, Helen Flanagan!

Hi Scott! Do you think Swansea have a good chance

of staying up this season?

I think we've got a great chance. We play really good football and as long as we start picking up results, we'll stay up, no problem.

#### How does the Premier League differ from playing in the Championship?

You get a lot more chances in the Championship. In the Premier League, you get one or two chances, so you have to put them away.

#### Who's the joker in the Swansea dressing room?

We've got a few! Tom Butler and Mark Gower are always messing around and taking the mickey out of everyone. Gower will hammer the lads for all sorts of stuff. David Cotterill and Butler are just really funny guys!

#### Who's the best player you've ever played with?

Chelsea - some of the stuff he did was quality. The best I've played against was Ashley Cole in training. He's tough to get around - even the quickest players found it hard to do him for pace.

#### Do you fancy your chances at Anfield at the weekend?

It'll be great for the lads to play at Anfield against Liverpool. We'll go out there and try to get a result, like we do in every game. It should be a great experience for all of us.

#### Who do you think will win the league this season?

Man City. Maybe Man United but I have a feeling it's going to be City's year.

If you could pick your top player from another Premier League team, who would it be? David Silva. He's on fire at the moment and he's just a brilliant player. He's had a magnificent start to the season, hasn't he?

#### He has! Do you think you were given a fair chance during your time as a Chelsea player?

It would've been nice to get a chance at Chelsea and to play in the first team, but at a club like that, there are so many world-class players in front of you, it's hard to play regularly.

#### You're going out with Helen Flanagan. Does that mean you have to watch Corrie?

Yeah, but only when she's on it! We usually watch it together, which is pretty funny.

#### Is she a Swansea fan?

She doesn't really like football, to be honest. She only comes to the games if I'm playing!
